PART I

IMPORTANT GOVERNMENT ORDERS

EDUCATION SECRETARIAT

Sanctions the opening of Occupational Institutes at Hassan and Davangere.

Government Order No. E. 3056-71—J.O.I. 7-48-13, dated 29th September 1949, sanctioning the starting of Occupational Institutes at Hassan, Davangere and Chintamani and directing that the recurring cost be limited to Rs. 40,000 per annum, etc.

2. Correspondence ending with letter No. S. 75, dated 4th August 1949, from the Special Officer for Occupational Institutes, and Superintendent, Sri Jayachamarajendra Occupational Institute, Bangalore, submitting a revised scheme for the opening of Occupational Institutes at Hassan, Davangere and Chintamani.

ORDER No. E. 3072-93—J.O.I. 7-48-15, DATED BANGALORE, THE 29TH SEPTEMBER 1949.

The Special Officer for Occupational Institutes, and Superintendent, Sri Jayachamarajendra Occupational Institute, Bangalore, in submitting a revised scheme for the opening of Occupational Institutes at Hassan, Davangere and Chintamani, requests sanction to the following:—

Proposals of the Special Officer:—

(1) Administrative sanction for opening the Institutes with the courses of study mentioned in the Scheme.

(2) To transfer the Industrial School at Hassan with its land, buildings, equipment, staff and its budget provision to the new Institute to be opened at Hassan.

(3) To hand over to the Institute at Hassan the quarters occupied by the Deputy Commissioner, the District Board Travellers' Bungalow and the Railway Workshops and buildings situated in front of the Hassan Railway Station.

(4) To utilize the equipment and staff available in the Mysore Implements Factory and to pay the concerned staff a part-time allowance of Rs. 30 each per mensem.

(5) To the payment of an allowance of Rs. 100 per mensem to the General Manager, Mysore Implements Factory, Hassan, for doing part-time teaching work and for supervising the workshop training of the students of the Institute.

(6) For locating temporarily the Occupational Institute at Davangere, in the Emergency Food Grains Depot which may be hired on a suitable rental to be fixed by the Deputy Commissioner, Chitaldrug.

(7) To locate temporarily the Occupational Institute at Chintamani, in Sri Suraiya Chetty's Choultry with necessary alteration for holding classes.

(8) To the payment of an allowance of Rs. 30 per mensem each to the staff of the Intermediate Colleges at Hassan and Davangere and of the High School at Chintamani, for taking classes in the subjects of Science and Mathematics for the students of the Institutes.

(9) To the constitution of *Ad Hoc* Committees for selection and appointment of temporary staff and for the direct purchase of equipment required for all the three Institutes, the staff temporarily appointed being retained for a period of two years after which they may be replaced by men recruited through the Public Service Commissioner.

(10) To the payment of a Deputation Allowance of 20 per cent of pay to the staff recruited from Government Departments, Industrial Concerns and Institutions.

(11) To the constitution of a Working Committee for each of the Institutes.

(12) To incur an expenditure up to a limit of Rs. 15,000 in each place for putting up temporary sheds and for effecting repairs, additions and alterations to the existing buildings to make them suitable for holding classes.

(13) To the detailed Budgets for the year 1949-50.

Courses of Study.

2. Government are pleased to accord administrative sanction for the opening of the Institutes at Hassan and Davangere with the courses of study as mentioned below :—

1. Hassan.

- (a) Diploma Course in Machine Tool Technology.
- (b) Artisan Courses in—
 - (i) Electric Wireman.
 - (ii) Tailoring and Dress Making.
 - (iii) Rattan Work.

2. Davangere.

- (a) Diploma Course in Oil and Soap Technology.
- (b) Artisan Courses in—
 - (i) Electric Wireman.
 - (ii) Tailoring and Dress Making.
 - (iii) Spinning (Textile).

Regarding the number of seats in each course and qualification for admission for the courses, they shall be as per annexure (Statements 'B' and 'D').

3. The principle of admitting 'Adult Craftsmen' for training in any of the above courses of study to enable them to earn better wages is also approved and as suggested by the Special Officer, the qualification rule is waived in their cases.

4. As it is also necessary to have an approved course of study for each subject to be taught in the above Institutions, the Special Officer may prepare a syllabus or curriculum for each subject (theory and practice) and place the same for approval before a Board consisting of the following technical Heads of the Departments and others who may be co-opted :—

1. The Vice-Chancellor, Mysore University (Chairman).
2. The Vice-Chairman, Mysore Iron and Steel Works, Bhadravathi.
3. The Chief Electrical Engineer in Mysore, Bangalore.
4. The Chief Engineer for Roads and Buildings in Mysore, Bangalore.
5. The Director of Industries and Commerce in Mysore, Bangalore.
6. The Principal, Engineering School, Bangalore.
7. The General Manager, Government Soap Factory, Bangalore.
8. The Principal, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore.
9. Sri B. R. Narayana Iyengar of Mechanical Engineering Department of College of Engineering, Bangalore.
10. Sri K. Chennabasaviah of the Department of Electricity, Engineering College, Bangalore.
11. The Chief Chemist of the Vanaspathi Oil Mills, Davangere.
12. The Special Officer for Occupational Institutes, Bangalore (Secretary).

Accommodation.

5. Government direct that the Industrial School at Hassan, with the buildings, lands, equipment, staff and its budget provision be transferred to the Institute to be opened at the place. Government further direct that the Deputy Commissioner's quarters near the Railway Station at Hassan, the District Board Travellers' Bungalow and the Railway Workshop and buildings in front of the Railway Station be made available immediately for the location of the Institute.

6. As regards the Davangere Institute, Government direct that Emergency Food Grains Depot at the place be secured immediately for the location of the Institute on rental to be fixed by the Deputy Commissioner, Chitaldrug.

7. The Deputy Commissioners of Hassan and Chitaldrug are requested to see that the buildings referred to above are put in possession of the Special Officer who will take action to have the necessary repairs and alterations to the buildings attended to.

Equipment.

8. As regards the equipment required immediately for the Institute at Hassan, Government direct that the equipment of the Industrial School be transferred as directed and that the equipment and workshop facilities available in the Mysore Implements Factory be also utilized for the purpose until permanent arrangements are made to the Institute.

Staff.

9. Sanction is accorded to the appointment of administrative and teaching staff as per annexed statements ('B' and 'D') on the scales of pay noted against each during the first year, second year and onwards with the direction that only the barest minimum should be appointed as and when required.

10. With regard to the selection of officers to fill up the posts, Government direct that it is desirable to fill up the same with the members of the teaching staff of the School of Engineering, Bangalore, Engineering College, Bangalore, the Sri Jayachamarajendra Occupational Institute, Bangalore and other Government Departments and Industrial Concerns having not only experience in teaching, but also of workshop. If available, qualified men with B.Sc. and B.E. qualifications may be preferred.

11. Regarding selection of the staff required for the Institutes, Government direct that a selection be made out of the existing staff of the various institutes and offices, the posts being regularised as per Rules of Recruitment after a period of two years. In this connection, Government further direct that while making the selection of the staff, the spirit of the existing Rules of Recruitment should be followed. The staff so selected from other Departments of Government may be paid a deputation allowance of 20 per cent of their salaries. The selection and appointment of the staff may be on a temporary basis to begin with.

12. The Special Officer has suggested an allowance of Rs. 100 per mensem to the General Manager of the Mysore Implements Factory for teaching work and supervising the Workshop training. Government direct that this allowance be limited to 20 per cent of his salary, subject to a maximum of Rs. 100 per mensem (Rupees one hundred mensem).

13. With regard to the allowances to the members of the teaching staff of the Intermediate Colleges at Davangere and Hassan selected to teach the subjects of Science and Mathematics, Government direct that they may be fixed at Rs. 25 per mensem. If, in any case, the members of the Intermediate Colleges at Davangere and Hassan are reluctant to attend classes for the extra remuneration of Rs. 25 per mensem, the work may be entrusted to the members of the teaching staff of the High Schools. It is understood that the members of the staff of these Institutions will do this work without prejudice to their normal duties.

Ad-Hoc Committee.

Three *ad-hoc* Committees are proposed : (i) for the purchase of equipment, (ii) for the selection and appointment of temporary staff and (iii) for framing Syllabuses for the various courses. Government consider that the Committees for the selection and appointment of temporary staff as noted be enlarged by adding (1) the Education Secretary to Government (ii) The Principal, College of Engineering, Bangalore and (iii) The Principal, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, and that the same may also conveniently attend to the Purchase of equipment directly so that it may have a comprehensive view of the entire subject and come to conclusions expeditiously and direct accordingly.

1. The Vice-Chancellor, Mysore University (Chairman).
2. The Chief Electrical Engineer in Mysore, Bangalore.
3. The Additional Director of Industries and Commerce, Bangalore.
4. The Chief Engineer for Roads and Buildings, Bangalore.
5. Mr. A. Zampolino, Factory Manager, Hindustan Aircraft, Limited.

6. The Public Service Commissioner in Mysore, Bangalore.
7. The Secretary, Stores Purchase Committee, Bangalore.
8. The Special Officer for Occupational Institutes, (Secretary).

Managing Committees.

15. Government further direct that the Managing Committees with the personnel as noted in the annexure be constituted and that the term of the Committees be limited to a period of one year.

16. Regarding the working of the Committees referred to above, rules may be framed on the same lines as those for the Sri Jayachamarajendra Occupational Institute, Bangalore and submitted for the approval of Government.

Recurring and Non-Recurring Cost.

17. The recurring and non-recurring cost for the Institutes at Hassan and Davangere during the year 1949-50, 1950-51 and 1951-52 is as per annexed statement. For the two institutes the recurring cost comes to Rs. 80,000 and non-recurring cost on equipment to Rs. 2'00 lakhs and building to Rs. 2'25 lakhs, i.e., a total of Rs. 4'25 lakhs during 1949-50. Against this, there is a budget provision of Rs. 1'70 lakhs (Rupees Twenty thousand for Hassan and Rs. 1'50 lakhs for Davangere). Besides, the following contributions and donations are promised towards the non-recurring expenditure :—

- (1) Hassan Rs. 1'50 lakhs by the District Board.
- (2) Davangere Rs. 1'50 lakhs by *Dharmaprakash* Sri K. Rama Setty (paid).

18. The budget provision of Rs. 1'70 lakhs may be made use of towards recurring expenditure of Rs. 80,000 the balance being made use of for purchase of equipment during 1949-50. In addition, out of the provision of Rs. 5'00 lakhs in the budget of 1949-50 towards equipment to the Sri Jayachamarajendra Occupational Institute, Bangalore, a sum of Rs. 2'00 lakhs may be appropriated towards the cost of equipment required for the two Institutes at Hassan and Davangere now sanctioned.

19. The promised and the donated amounts at the respective places are sufficient for the construction of buildings during this year and they may be made use of accordingly.

20. The immediate expenditure of Rs. 15,000 at each of the places of Hassan and Davangere for putting up temporary sheds and for repairs, additions and alterations to the existing buildings to make them suitable for holding classes may also be met out of the promised and donated sums.

21. Government further direct that due provision for recurring and non-recurring cost during 1950-51 and 1951-52 and thereafter shall be made in the budgets.

22. The Heads of Departments and Officers concerned are requested to afford all facilities to the Special Officer for starting the institutes without delay.

23. Separate orders will issue regarding the opening of the Occupational Institute at Chintamani.

K. M. NARASIMHAIA, *Edn. Secy*

STATEMENT A

MANAGING COMMITTEE FOR HASSAN INSTITUTE

1. Vice-Chancellor, University of Mysore, (*Chairman*).
2. Sri Y. Dharmappa, B.A., B.L., President, District Board, Hassan.
3. Sri A. G. Ramachandra Rao, B.A., LL.B., General Secretary, Mysore State Congress.
4. Sri K. Lakkappa Gowda, B.A., LL.B., M.L.C.
5. Sri G. A. Thimmappa Gowda, B.A., (Hons.), LL.B.
6. Sri A. S. Mallappa, B.A., LL.B., President, Municipal Council, Hassan.
7. The General Manager, Mysore Implements Factory, Hassan.
8. Sri K. Venkataswamy, Agent, Burmah-Shell Oil and Distributing Company, Limited, Arsikere.
9. The Special Officer, Occupational Institutes in Mysore, Bangalore.
10. The Superintendent, Occupational Institute, Hassan, (*Secretary*).
11. The Superintendent, Intermediate College, Hassan.

4. Power, water supply, roads, etc.	...	1,000
Total Rs.		2,00,000

First year	... Rs. 1'00 lakh
Second year	... " 0'75 "
Third year	... " 0'25 "

(iv) Equipment.

- Oil and Soap Technology.—
Oil expellers, decorticator, filter, presses, oil storage tanks, electrical heaters, electric water baths, chemical balances, working tables, electrical hot ovens, glass ware for laboratory, vertical boiler, soap pan (round), steel detachable soap frames with wheels, extra soap frame bottoms only with wheels, open storage tanks for oil and caustic soda, hand pumps for pumping oil and caustic soda, bar and tablet cutting machine, slab cutting machine, hand stamping machine, pipes and pipe connections as required, working tools, etc. (L.S.) 1,50,000
- Equipment for Textile—Spinning Course.—
Pilot plant consisting of cording machines, twisting machines, thrashing, beating and cleaning machines for cotton, testing equipments, etc. (L.S.) 60,000
- Electrical Shop.—
A.C. and D.C. motor generator sets, electrical measuring instruments, meggers, illumination special fittings, battery charging set, domestic electric appliances, ringers, appliances for rewinding of motors, lighting fittings, working tools, etc. (L.S.) 20,000
- Tailoring and Dress-making.—
Sewing machines, drafting tables, cutting scissors, L-squares, measuring tapes, ordinary scissors, fashion plates, show cases, electric pressings, embroidery machine, button-hole machine, zig-zag machine, etc. (L.S.)

	Rs.
5. Carpentry.— Circular saw bench, band-saw, working tools, work benches with vices, leg vices, wood turning lathes with motors, bench drilling machine, grinders, cramp, planing machine, sanding machine, etc. (L.S.)	25,000
6. Smithy Shop.— Hearths, anvils, sets of working tools, blower with motor and starter, pipe connections, etc., power hacksaw, grinders, etc. (L.S.)	20,000
7. Fitter Shop.— Drilling machine, grinders, bench vices, leg vices, files, hammers, sledge hammers, hack-saw frame, anvils, surface plates, V-blocks, centre punches, tri-squares, micrometers, combination squares, pipe wrenches, pipe cutters, taps and dies (Whitworth and Gas), etc. (L.S.)	15,000
8. Welding Shop.— Gas and arc welding sets, working tools, work benches etc. (L.S.)	10,000
9. Machine Shop.— Lathes, drilling machine, shaping machine, bench grinders, precision gauges, etc. (L.S.)	40,000
10. Foundry Shop.— Pit furnace with blower and motor, moulding boxes, working tools, grinding machine with motor, crucibles, etc. (L.S.)	5,000
11. Furniture.— Benches, tables, desks, chairs, etc. (L.S.)	10,000
Total ...	3,75,000

Distribution of grant—

First year	...	Rs. 1.25 lakhs
Second year	...	" 1.50 "
Third year	...	" 1.00 "
